COPE-N-STICK FLAT PANEL WOOD DOORS

KEEP IT SIMPLE

That is the philosophy behind our flat panel Cope-N-Stick wood doors. These doors feature a streamlined recessed panel set in a solid wood butt-joint frame. Solid slab and matching 5-piece drawer fronts are available for most door styles. 5-piece drawer fronts will have a reduced rail.

Wood doors are backed by a 1-Year Limited Warranty.

ASHLEY

VENUS

Standard grain direction is vertical for doors and horizontal for drawer fronts. Center rail required on doors 48" and over.

APPLIED MOULDING WOOD DOORS

ABOVE AND BEYOND

Applied moulding doors from Corona Millworks go beyond the traditional wood door. These doors feature a decorative moulding that is applied to the inside edge of the frame that brings them into a whole new dimension. Solid slab and matching 5-piece drawer fronts are available for most door styles. Cope-N-Stick 5-piece drawer fronts will have a reduced rail, whereas Mitered options will have a reduced frame.

Wood doors are backed by a 1-Year Limited Warranty.
